

ASL Enabled Buildings

NOTE:

- 1) ASL is not the same as Closed Captioning which is available in all buildings using an NTSC system (North and South America).
- 2) ASL is only available in North America on C-Band systems with a receiver setup to receive it.
- 3) Any C-Band site with a Unity 552 receiver can be set up to receive ASL instead of the normal feed.
- 4) To receive both standard and ASL broadcasts, two receivers are required.

Property Number	Address
