

Introduction to My Study Notebook

Written by Tom Johnson
Sunday, 07 August 2011

My Study Notebook is your own personal, private space on LDS.org to organize and study your notes from living prophets, scriptures, and the gospel library. The following video provides a short introduction to My Study Notebook.

(If the above video is blocked, you can also [watch it on Brightcove](#) .)

For more tutorial videos, see the [help page for My Study Notebook](#) .
