

## Notice

---

Date: October 22, 2010

To: General Authorities; Area Seventies; and the following leaders with access to MLS:  
Stake, Mission, and District Presidents; Bishops and Branch Presidents

From: Seminaries and Institutes of Religion

Subject: Seminary and Institute Enrollment and Attendance Report in MLS

---

A new report that shows enrollment and attendance information for youth in seminary and young adults in institute is now available in ward and stake MLS systems. Attendance information will be updated weekly in areas with released-time seminary and monthly in other areas.

The report should be reviewed regularly to encourage full participation in seminary and institute. It can be used to discuss seminary and institute participation with priesthood leaders, parents, youth, and personnel from Seminaries and Institutes of Religion.

### **Accessing the Report**

Sign into MLS. Perform a Send/Receive Changes to ensure that the latest enrollment and attendance information is available. In the Other Resources panel, click **Seminaries and Institutes**. In the Attendance panel, click **Seminary Attendance Report** or **Institute Attendance Report**. Questions may be directed to your local Seminaries and Institutes representative.

This notice is being distributed in English only. If it is needed in other languages, please contact the member of the Presidency of the Seventy who supervises your area. Area leaders can forward requests to Church headquarters (1-800-453-3860, ext. 2-2933).
